

Archival SD Film Transfer Order Form

Our high quality frame-by-frame film to video conversion process supports regular **8mm** (silent or magnetic sound), **Super8** (silent or magnetic sound), and **16mm** (silent, opt/mag sound) film for output in either NTSC or PAL format.

[\[\\$0.22 per foot - Minimum charge is \\$60 per order\]](#) [\[PAL Conversion add \\$0.03 per foot\]-](#)

Total number of film reels to transfer (any film gauge mix or reel size)

Y / N We can eliminate any red or blue casts and bring out the true underlying true colors of your original film. Do you want us to perform colour\density correction, if needed? [\[+\\$0.10/ft full manual scene by scene or \\$0.05/ft for 60-80% correction\]](#)

Y / N Professional *Degrain* removes grainy surface noise, small dust and dirt impacts along with minor scratches from your transferred films without compromising the original image. Do you want us to perform Professional *Degrain*? [\[+\\$0.04 per foot\]](#)

Y / N Do you want background music added to your silent films on DVD? [\[+\\$0.02 per foot\]](#)

Y / N Do you want us to capture your films to DVD for viewing on a TV using a regular DVD player?

Y / N Do you want the frame-accurate DV AVI files for editing? These files represent transferred films that have been colour\density corrected and properly timed, often referred to as **Film masters**. If so, **please circle** the media you wish to have your film master files copied to:

External Hard Disk
Best choice for editing
[Free transfer to disk](#)

Archival Gold DVD-R
Best choice for archiving
Expensive for large projects

Mini-DV Digital Tape
[add \\$50/tape](#)

Digital8 Tape
[add \\$50/tape](#)

Total number of TV viewable DVD copies to produce from this original order. If no additional copies are required, fill in a value of one (1). [\[Additional DVD copies are \\$9.95/disk\]](#)

Y / N Do you want us to publish your films to Archival Grade Gold DVD discs rather than Premium discs? [\[\\$10 per disk\]](#)

Y / N Did you label your film reels in the order you wish?

Y / N Does your films have an embedded audio track? Usually Super8 and 16mm [\[to re-sync audio \\$0.10/ft\]](#)

Please fill in the title information you wish to have appear on your DVD(s). Please limit your titles to no more than 40 characters (including spaces).

Example title: Smith Family Films 1968 – 1972
